PASSIONATE PEOPLE * ABSOLUTE FOCUS * RESULTS DRIVEN

THE TEAM

The team at Asterisk has been involved in the information security industry for over 18 years. Our clients range from SME to large enterprises across a variety of sectors including government, mining and resources, critical infrastructure, finance, retail, healthcare and not-for-profit.

THE ASTERISK TEAM OF CONSULTANTS HAS:

- * Extensive, practical and relevant industry experience
- * Highly regarded technical skill sets
- * Industry recognised qualifications across multiple security domains
- * The ability to engage with stakeholders across all levels of an organisation

Close working relationships with information security partners and investment in regular training ensures that Asterisk consultants are certified to offer quality service and product advice.

ASTERISK INFORMATION SECURITY

is a specialist consultancy providing actionable advice and solutions to enhance information security and reduce business risk.
